*There is a God
He has a Son
His name is
Jesus
He loves you
He died for you
He rose again*

*He has
prepared a place for

The end of the school year brings many new challenges for our emerging leaders. Probably the greatest is their request for prayer for productive internships/work for this summer. Real world job experience and social interaction while staying focused on assigned tasks is critical for success.

These students are used to hard work. They have volunteered their time, practicing several times per week as a choir, to serve and preach each Sunday at local churches. They gave their Spring break serving churches in the Philadelphia/Maryland area. Please pray for jobs, fellowship and growth in Christ over the summer break.

One of our greatest joys is to host returning students who are now married and bringing babies.

Meet Samson Wallace!!

You remember our Zach and Leah who are MTEC Grads from Slippery Rock University. They have served at our Open Houses' and Zach cared for the Mission House and Sharon's Mom so we could both take a team to China. several years ago. Zach solved several technology issues for us while they were here. They are always a huge blessing !
