God's Timing

***Congratulations to Cara Wilson and Nick Karbach
On their Engagement!!***

*It seems like only yesterday, but 4 years ago
God put a bright 18 year old on my path
to be discipled.*

*From the very beginning it was obvious to
Charlie and I that Cara was a leader.
She joined Grove City College New Grace Choir as
a freshman and became the first Sophomore
to ever lead the choir.*

*Cara, who felt a call to China in High School,
began to study Chinese and majored
in International Business.*

*Cara was able to spend the summer between her
Sophomore and Junior year in China doing a
Marketing Internship at*

"New Day Creations" outside Beijing.

*Cara and I pray for each others needs and last year
I shared with her my desire to see eye care taken to
some of the villages we serve and my
upcoming training with Mission Vision.*

*In God's wonderful timing Nick, who will graduate as an Optometrist in June 2017,
moved from Philadelphia to Pittsburgh for his externship with a local Doctor.
Nick and I have volunteered with Mission Vision and we are exploring the possibilities
of Nick serving as our eye Doctor on future Mission Trips.*

*Cara graduates in May from Grove City College and will be married to Nick in August.
Please pray for a job for Cara in Philadelphia while Nick finishes school.*

*Nick and Cara are powerful emerging leaders
who want to serve the Lord with their whole heart!*

Sharon

*College life creates a bubble that's impossible to replicate after graduation.
Please pray that students who are graduating and entering the work world will quickly get
involved in Churches, small groups and bible studies.*
