Mentoring Training Equipping Connecting This Generation to the Nations.

At MTEC, we serve emerging leaders who feel called to the mission field. Through mentoring, we help students identify which country and people group God is calling them to serve. We prepare them through financial planning, emotional preparation, and cultural awareness.

The Mission House

The Mission House vision is to provide a safe place of rest.

- ◆ *Missionaries and mission kids home on leave are provided housing, food, cars, lots of love and prayers.*
- ◆ *Leadership groups are provided space for weekend retreats.*
- ◆ *The community can host gatherings such as local church picnics.*
- ◆ *Student groups are provided a place to host bonfires for the evening.*

*He has prepared a
place for you to be
with Him forever*

*He wants all
to hear His story*

*He will
return again*

MTEC and The Mission House serves, on average, 60 people each month.

Your partnership in ministry allows us to do all that we do. Please consider becoming a monthly partner or giving a one-time gift as we launch into this busy Fall season.
