*Mentoring the Next Generation to Reach the Nations*

MTEC INTERNATIONAL

Volume 8 December 2014

*And the Word  
became flesh and  
dwelt among us.*

*Lord Jesus  
Thank you for  
leaving your  
heavenly throne  
and coming  
to dwell with us.*

*You are  
God with us  
Emmanuel!*

## Becca Fullmer weds Bill Dinsmore

*I am thankful for MTEC -for the love and support that I received before, during and after my mission trip to China last year. God laid it on my heart to return to China while I was visiting Guiyang in 2011. It just so happened that MTEC was also in Guiyang and I was able to reconnect with Charlie and Sharon. Over the following two years, I met with the Becks in order to discern if leaving my job and returning to China was truly a good idea. They have counseled and supported me through the fundraising season, through my time in China and through my re-entry to life in the States. I look forward to a continued relationship with MTEC as I continue to discern my place in God's mission. Thanks everyone!*

## Diana Stottlemeyer weds Scott Gruver

*We had the privilege of having Charlie and Sharon as our college mentors. Charlie was a part of our wedding ceremony this past May. As the post-graduation years go on, we continue to be thankful for the wisdom they shared with us, as well as their continued investment of love and friendship. We were always blessed to be welcomed into their home, enjoying Sharon's home cooked meals and Charlie's lively stories. The mission house is soaked in the peace-giving presence of the Spirit, and we can only hope to have a similarly restful and welcoming home. We are so thankful that God brought Charlie and Sharon Beck into our lives. Thank you MTEC Partners for your prayers and financial support that allow this ministry to continue.*

*As we come to the end of 2014 we are so happy to celebrate new beginnings for Becca and Bill, Diana and Scott, and babies for Joe and Melissa Hine and Zach and Leah Wallace. Please pray for these 8 emerging leaders and the new opportunities and challenges that lay ahead for them. 2015 holds many exciting opportunities for MTEC-- to mentor emerging leaders -care for Missionaries families-- plant churches and train Church Planters.*

*In February Charlie will be training 250 Church Planters in a closed country. Sharon will be taking emerging leaders to Thailand to build an aquaponic system and teach English in a village school. We both continue mentoring students into their destiny and providing a place of peace and rest at the Mission House for many.*

*We need your financial support this year more than ever as we continue to grow. Please give a "Year End Gift"!! Please become a monthly donor!! Thank you for praying!! Charlie*
