John 3:16*

Greetings from New England! Diana here!

*I want to thank all the MTEC partners who have
prayed for me through College, an Internship in China
and serving a year on the field in Belize.
I'm currently in my third and final year at
Gordon-Conwell Theological Seminary in Boston.*

*Last semester, I took a class on
Evangelism and Discipleship in the Local Church.
The experiences of those in the class spoke volumes
to the great need for these aspects of church ministry
particularly the need for discipleship.*

*In a class of about 40 seminary students—our future church leaders!—
I was one of only a handful who had been intentionally disciplined.
I was the only student in the class who could say they had been
intentionally disciplined for the purpose of discipling others.
I was surprised and saddened that our churches do not seem to be actively
engaged in discipleship or encouraging believers to participate
in the multiplying power of discipleship—
as we share and live out with others that which we have received.
But even more so, I was incredibly thankful for the ministry of
Sharon and Charlie at the Mission House—
the place where I was disciplined and where I saw the power
of making and sending disciplers into the world lived out.
As I reflected on being the only one in my class to have this
investment in my spiritual life and future ministry, I was
reminded yet again of how important Sharon and Charlie's
ministry of discipleship is and how great the need is today.*

*I believe that so much of the future of the Church in our
country hangs on this obedience to Jesus' call
not to make converts, but to make disciples.*

Not to make fans but followers.

*Please pray, as I graduate in May from Seminary, that doors
would open to take a job in a Church, a Mission Agency,
or if I am to start an MTEC Mission House in Boston.
Thank you for sharing my journey! Diana Gruver*

There is a God

He has a Son

*His name is
Jesus*

He loves you

He died for you

He rose again

*He has prepared a
place for you to be
with Him forever*

*He wants all
to hear His story*

*He will
return again*
