# MTEC International Mission House

*Mentoring the Next Generation to Reach the Nations*

MTEC INTERNATIONAL

Volume 9 October 2015

*October was a packed month here at that Mission House.*

*Let the peace  
of Christ  
rule in your  
Hearts*

*Let the words  
of Christ  
dwell in you  
Richly.*

*Colossians 3:15-16*

*We hosted a Grove City resident director and her resident assistants for their three day Fall Retreat.*

*We hosted Grove City's New Grace Choir.*

*We also had a wonderful four day visit from Zach and Leah, Slippery Rock students we mentored in past years. We had a wild time with their one-year-old, Samson, and learned they were pregnant with their second baby who will be named Gideon.*

*At the moment, we are hosting Carrie Smith who has served in Costa Rica for seven years. She just completed her Masters from Gordon Conwell Theological Seminary and serves with United World Missions.*

*There is a God*

*He has a Son*

*His name is  
Jesus*

*He loves you*

*He died for you*

*He rose again*

*He has prepared a  
place for you to be  
with Him forever*

*He wants all  
to hear His story*

*He will  
return again*

## **Can you help?**

*We ask that you would consider MTEC International in your year end giving. It takes a great deal of energy and finances to care for all who call The Mission House home. Without your prayers and financial help, we could never accomplish God's call.*

*This year the Mission House has been able to host hundreds of student leaders, missionaries and their families. MTEC planted three churches in Cuba, trained hundreds of Cuban church planters, and supplied much needed bibles, bicycles, and shoes. We organized a mission trip to Thailand with Allegheny College students and implemented an aquaponic system for a small village. Finally, we've been blessed with the opportunity to share the Gospel with students from the surrounding six Universities.*

*Next year, we know that God is calling us to move into several new areas of service such as Mission Vision, which helps provide vision care and glasses for those who wouldn't get care otherwise. Please consider partnering with MTEC as we expand God's vision in 2016. Charlie*
